### **GOD IS MY EMPLOYER** by William Eyika

On the 4th of July 1976, Israeli commandos carried off the most celebrated hostage rescue in the history of aviation, landing at Entebbe Airport in Uganda in the middle of the night and rescuing more than 100 Israeli citizens. William Eyika was one of Uganda's air traffic controllers, and he miraculously escaped President Idi Amin's subsequent purge of his colleagues. He later became chief ground instructor at the East African Flying Academy in Soroti, Uganda. After Idi Amin's reign ended, Soroti was attacked repeatedly by rebel forces, government forces and savage tribesmen. William's father was murdered by tribesmen, who drank his blood. William had a powerful encounter with God and became a Christian and the pastor of the local Baptist church.

## **Pastoral Letter—Steve Abbott**

Dear sisters and brothers,

Let me begin this month by publically expressing my enormous gratitude for everyone who contributed to making the Parish Camp such a resounding success. At Merroo many people gave time and energy to ensuring our time together was edifying and encouraging: session leaders were creative and enthusiastic, the band had prepared and practiced carefully and we were enriched by their leadership of our singing and the 'techos' put themselves out doing all they could to ensure presentations were effective. However, it's important to highlight the outstanding and tireless ministry of the Parish Camp Committee under the leadership of Mark Donohoo. This team met monthly, produced the creative strategies and plans to make the camp such a great time and then ensured during the camp everything went according to plan. We say thank you to them and to our Heavenly Father for their service to us all. I also want to say a big thank you to Andrew Lewis and Reg Tidball for looking after the combined 9am service while so many were away at the Camp.

This month sees our latest quarterly Prayer Diary published and ready for pick up. A huge thank you to Kevin who very kindly and graciously puts this very important and strategic tool together for us. I want to urge us all to make regular use of this throughout the week and encourage us to keep it near our Bibles so that we might remember to pray for the parish when we regularly read God's Word.

I have been reminded as I've prepared my messages on Exodus over the last few weeks, none more than last week (Exodus 15:22-17:7), of how the people of God are so utterly dependent upon the LORD God for every element of their redemption from Egyptian bondage to accommodation in the Promised Land. We regularly observe Moses, Israel's leader, crying out to the LORD seeking his assistance to lead this stubborn and willful people (Exodus 15:25; 17:4). On other occasions without even a prayer the LORD, who sees and hears all, extends grace and mercy to provide all these complaining people require (Exodus 16:4). Nothing has changed, for the Christian Church in all its frailty and brokenness is also on a redemption pilgrimage.

Christians live in a foreign, pluralistic society as strangers and aliens: refugees who wait in anticipation of the new creation, our own promised land, our home with God. Our pilgrim journey requires us to be in constant dependent prayer to the Father and Son so that he will supply his Spirit (Luke 11:13) enabling us to press on and not lose heart.

All of us at St Matt's need to be a people of dependent trust whose lives are characterized by prayer-fullness. Like the apostle Paul, who regularly sought prayer for his ministry, all our staff need your prayers as they provide spiritual leadership in a variety of ways. Many others involved in ministry outside of St Matt's, not least our missionaries, also seek our prayers. All these people and many ministry events are included in our Prayer Diary and I want to encourage us all to join in prayer so that the Lord may grant us his abundant grace and favour, so that we might in all things bring him glory, grow in godliness and reach more people for his kingdom.

Of course by now our first core value should be ringing in our ears. Just in case we've forgotten the details let me remind us of its contents:

**Unrelenting prayer to God** – *Everything we do at St Matt's begins in dependent prayer to the God who is Father, Son and Holy Spirit. In 1 Timothy 2:1-6 the apostle Paul makes prayer the first priority of the Christian community and in doing so brings the church into line with Jesus' own persistent commitment to prayer throughout his earthly life. So we align ourselves with our Lord and his apostles' priority and give ourselves to persistent, prayerful dependence on God*  
(1 Thessalonians 5:16-18).

May we embrace this core value in both our personal and corporate life, but let God have the final word: 1 Thessalonians 5:16-18 'Be joyful always, pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus.' .

Prayerfully yours,

**Steve Abbott**

## St Matthew's Church Camp 2010

On the election weekend in August, over 240 people of all congregations and all ages made their way up into the beautiful countryside of Kurrajong for the biennial church camp. Most came to stay for the whole weekend and were not disappointed. After we arrived and received our little gold bags of goodies, Friday night went off with a bang, as we met Mike Raiter, our speaker, and got involved in Shane's creative exercises.

Saturday began with beautiful singing lead by Henry Burnett and the praise team. We were challenged by Mike Raiter to experience God at a different level, and to work to make new connections in our community. With so many St Matthew's people thrown together for a couple of days, conversations were many and varied. On Saturday afternoon, newly-formed groups discussed the morning's topics and conversations started going deeper. New relationships were forged across the congregations and a greater sense of unity seemed to blossom.

Marvellous family fun was had at the Saturday Night Extravaganza. The 18 teams formed on the night had their minds stretched with trivia and their bodies contorted in the physical activities of Minute-to-Win-it games. We saw pain when 20 or 30 pegs were attached to their faces (including some bloodshed). We were amazed at the flexibility of the youngsters to reach their faces closer and closer to the floor. The creativity was flamboyant as playdough models were built of "our church community". The serving attitude of many was shown by how quickly everything was returned ready for the next morning.

On Sunday, we awoke to glorious sunshine and a hot breakfast. After Mike's final talk on the search for well-being and meaning in life, we finished our weekend by throwing our sins (written on red papers) into the log fire and taking Holy Communion as we accepted God's forgiveness.

# St Matt's Link Missionary Profile

## William and Grace Eyika

William Eyika is Senior Pastor of Dagoretti Corner Baptist Church and Project Director of Dagoretti Corner Self Help Projects, Nairobi, Kenya. D.C.S.H.P is the development arm of the church in the urban slums in accordance with biblical mandates of Matt 25.

Born in Uganda in 1949 as a catholic, William went through normal schooling in catholic primary and secondary schools and joined Makerere University Medical School to study medicine (1970/71). In that same year Idi Amin staged a military coup, killing several political leaders and academicians and forcing Ugandans into exile. William left the university due to insecurity in Uganda and went to Nairobi, Kenya as an Air Traffic Control/Pilot cadet. He was one of only seven out of 400 candidates who passed the aptitude interview conducted in Kampala.

In 1973 life was excellent, as a young bachelor with a job and money. William married Grace that year in the coastal town of Malindi without a church wedding and got transferred to Kilimanjaro International Airport as Approach Controller. They were transferred all over East Africa: Mombasa, Nairobi, Dar-es-salaam and Entebbe. All this time they were not Christians, but went to church occasionally.

In June 1976, William had a close shave with death when Israeli commandos raided Entebbe Airport and freed hostages from Palestinian terrorists. Radar controllers were supposed to inform security forces about the enemy planes, but it was virtually impossible since radar had electronically been jammed by the Israelis. All the night-watch controllers were killed. Although William did day-watch Amin's military tribunal still grilled him for over 10 hours before releasing him.

William was reluctant to receive Christ in spite of prayers and pleas by Grace who was now saved. His stand was "salvation is for the weak and poor." However in November 1983 he became restless and could not sleep for 2 nights. The third night he woke up Grace at 3.00 am and asked her to lead him in a prayer of salvation. He was full of sweat and terrified. After the prayer of salvation he had a brief sleep and Jesus spoke to him in a hoarse stereo voice with a waterfall background sound; "William, money is not happiness, I Jesus am the happiness, I can even make you happy here. From now on I shall be with you wherever you will go."

After many adventures escaping from Uganda, William and Grace settled in Kenya. William worked with World Concern International, joined the Baptist Seminary and worked with Baptist Mission of Kenya; started Kenya School of Flying; planted Dagoretti Corner Baptist Church with para church projects (D.C.S.H.P); studied in Daystar University (1995/2000) and completed an M.A degree in Community Development at Nairobi University.

William says: *"I am on my way to heaven co-piloting with Jesus Christ, we have landed in the slums of Nairobi and are busy loading passengers for heaven (saved souls). We shall one day take off – destination heaven with full board. Jesus knows when!"*

# St Matt's Warden's Update

## Small Projects completed in recent weeks:

Look out for these minor improvements (with major benefits) recently completed around our church:

### **In the kitchen:**

→ A smaller volume bin with a foot activated pedal to overcome the concern of contamination  
“Master Chef” oven mitts to overcome a potential OH&S issue.

### **New line Cottage Ramp:**

The ramp is completed and the metal hand rail is installed.

### **Crying Room Courtesy Screen:**

A frosted film to a height of 1200mm has been applied to four pieces of glass within this window wall (but not the door), to provide some privacy for feeding mothers and those using the chapel for prayer.

### **New Furniture & Council Kerb Side Clean Up:**

We have “new” second hand furniture donated from a business undertaking an office relocation. Redundant furniture from our offices and other items from 3 Newline Road were placed out in the council kerbside clean up.

### **And a reminder..**

We all enjoy using our church facilities for various activities. At times however some house-keeping issues are over-looked. We are launching a way of remembering! Watch out for the signs to be affixed in strategic locations.

### **Learn Leaving:**

Leftovers - Not in here, keep the fridge clear.

Litter - Throw it in and empty the bin.

Lights - Still on, what's going on?

Locks - Security Knocks.

## St Matt's Asian

### Congregation Update

The youth at the Asian

Congregation have been growing heaps this year. We are now a group of about 30-40 students. As part of our congregation's evangelistic strategy, we participated in an evangelistic event organised by a collection of churches across Sydney. On Saturday 26 August, the youth joined a few thousand other youths at the Sydney Entertainment Centre to attend RICerally. The highlight of RICerally (after some performance of Christian culture through music, worship, skits and dance) was a gospel talk from Mark 2 highlighting the "Epidemic of Sin" and the need to be forgiven by God.

Many of our youths took this opportunity to invite non-Christian friends and a couple of them even turned up to our follow-up event the next day. **Please pray for the follow up of these new non-Christian or unchurched contacts. Pray for our Christian youths to be welcoming and loving to outsiders.**

RICerally has shown us the need to evangelise to the many youths of Sydney who have yet to hear the gospel of Jesus. It has provided a comfortable setting for the youth to invite their non-Christian friends to hear about Jesus. We look forward to attending RICerally again next year so that more may come to know Jesus Christ, our Saviour.

## SIM Mission Encouragement Trip to Ecuador

During September 2010 and the first week of October, Jill McGilvray and Jenny and Greg Swanton (from our 10 am and 7 pm services) will be heading for South America with Jenny Fallon. Jenny is, of course, one of our St Matt's link missionaries, and is the daughter of Anne Fallon (of our 8 am service). She served with SIM (Serving In Mission) in Burkina Faso for many years. Jenny is now the Personnel Director of SIM in Australia and is heading up this adventure to Ecuador.

One of the key objectives of the trip is to encourage Australian SIM missionaries who are working in Ecuador, including our own Morgan, Anna and Anika Powell. The group will also visit and support other Australian SIM missionaries in the country including Mark Jenner, Chandra Smith, and the Woldhuis family. As Jill says, “we will support them in whatever way makes sense when we are there – in prayer and encouragement and in practical ways like baby sitting or doing something fun with them”.

Jill leaves on the 13th September and will be visiting some SIM missionaries with Jenny Fallon in Santa Cruz, Chile (Priscilla and Luke Lundstedt) and an SIM school in Cochabamba, Bolivia before being joined by the Swanton's for the Ecuador leg of the Encouragement Trip.

Jenny Swanton said “a lot of St Matt's members have asked us what we can send with you to encourage the missionaries you visit? We've asked the missionaries for some ideas and there are a number of small food and personal items that they would like. We know that Morgan and Anna are about to purchase a car seat for Anika, and we thought it would be really nice to be able to pay for this for them.” A giving well offering at services on the first 2 Sundays of September, will be used to provide these gifts of encouragement to the Powells and others.

The team of four recently had their first Spanish lesson, and are practicing hard in preparation for South America.

### **Key prayer requests for the team are:**

- ♦ Praise to the Lord for the opportunity to be with these missionaries and to encourage them in their work. Pray for many practical ways for the team to help and support them whilst they are there;
- ♦ Pray for learning and understanding of the team for the challenges that missionaries face in cross cultural mission;
- ♦ Pray for safe travels to and from South America and within Bolivia, Chile, Peru and Ecuador

**Muchas gracias!**

# 60 Seconds with a Warden

**Name** – John Parker

**Family** – Margaret and I have been married for 45 years, where did those years go? We have three lovely daughters and nine grandchildren. Our eldest daughter Alison, married to David has three teenage boys, Ryan, Michel and Wesley. Wendy-Jane is married to Tim; they have two boys, Isaac and Harrison and our only granddaughter, Lucy at primary school and kindergarten. Emily our youngest daughter, married to Jon has three little boys, Xavier, Silas and Micah.

**Found Jesus** – Although I came from a non-Christian family my parents initially encouraged me to attend Sunday School but later felt that ‘church’ took up too much of my time. I accepted Christ as my personal Saviour just prior to the Billy Graham Crusade in 1959, which had such an impact on many of us of that generation.

**Work** – Now retired, I worked for over 37 years for a major international telecommunications company; this included a number of years spent interstate and abroad in Belgium and New Zealand. During my working career I was involved in all aspects of manufacturing and, in the latter periods, roles in trouble-shooting and general management.

**Hobbies** – I have a keen interest in travel, particularly by train (and ship and plane) and enjoy model making, with a special interest in model railways. Other interests include moviemaking and fixing things and relaxing by reading as well as watching TV and movies.

**Fellowship** – Margaret and I are regular members of the 10am morning services at St Matt’s, Margaret is also part of the Wednesday service whilst I belong to a bible study group that meets on Monday nights. Over the years, I have been involved in all aspects of children’s ministry at a number of churches and am now part of St Matt’s team of SRE teachers.

**Words of Encouragement** – There are so many words from the Bible that have a great meaning to me but two verses in particular have re-enforced my walk with the Lord over many years; the first is John 3:16 – *For God so loved the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life.* The second comes from Pauls second letter to Timothy: 2 Timothy 2:15 – *Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth.*

## St Matts @ School

### Connecting    Encouraging    Growing

The Last month or so at St. Matts @School has seen a couple of changes that we pray will continue to help us grow. As we see church not as a museum for saints, but a hospital for sinners. The kind of growth we are looking at is one that sees current members disciplined to be all they can be under God and those who do not yet know Jesus given a great introduction to his word and his community.

Functionally this means that the team of elders (Bron and Geoff Gelding, Saffron and Paul Sweeney, Simone and Ernest Tobia, along with Rachel and myself) have spent less time meeting with each other and more time meeting with the teams we minister alongside. The priority is not to 'get the job done' or simply 'fill the roster' but to partner up and minister alongside one another. Through this the vision is to build a culture where Christians are always on the look out to disciple those around them – the fellow Christian and the not yet Christian. As the team of elders meet for strategic times together we have commenced working through the book Total Church together. The book teaches a non institutional way of promoting the Gospel, and introducing people to the blessing of God's community. Its thrust is to take us from seeing Church as one more thing to juggle in a busy life, to seeing the community of God's people as something that changes who we are and how we function day to day.

It is early days, but we are excited by the developments in our Children's program (now called Matts 4 Kids Church) lead by Rachel and her team of champs. Rachel and Jacki Hellstrom have been working hard to develop a program that builds a missional pathway to enable us to see Kids and their families come into our community, be introduced to Jesus, and become disciple-making disciples of Jesus – Much more to come, watch this space!!

We are very much looking forward to the movie night and working bee at WPHPS this month as an opportunity to reflect the generosity of Christ in and to our community!

# **Family Meeting – A Report and Some reflections**

## **by Steve Abbott & Jacki Hellstrom**

On 15th August we held a meeting with families from various services. Jacki, Shane and Steve gave statements explaining the current situation within the children's ministry and outlined plans for growing the ministry in order to reach as many children and families as we can with a view to enfolding them into the life of our church (see below). Currently we have over 90 children

involved in our crèche and Sunday programs spread over 3 services (not including those at the Chinese and Asian services). We are running the same teaching program at 9am and at 10 am so there is consistency should families need to move between services – however most families are committed to the one service.

Currently there are several young families with babies and preschoolers attending the 5pm Service, where a crèche is run and the crying room is also put to good use. It has been the thinking of the staff team that we cannot provide a Sunday school program at 5pm (our facilities are already being used by the youth and we are under pressure resource-wise), although a crèche program for the toddlers could be easily implemented. There will be a meeting organized with the 5pm families to discuss their long-term expectations and needs as we seek to chart a course into the future.

### **Looking Ahead**

It was clear there is some disquiet with regard to the reduced attendance of children at the 10am Service, although our overall number of children has not reduced they are simply meeting in different congregations. There were suggestions made about asking families from other congregations to move to 10am to re-energise the 10am children's ministry. Of course we can't force people to change congregations and moving families around services won't reach more families and children for Christ, so whatever else we do we must keep exploring how to reach unchurched families with the gospel. The following are some first attempts at doing just this and we hope existing families will support these endeavours.

We are excited to start promoting all the children's programs under the one banner of Matts4kids with a qualifying statement underneath – i.e. pupil free day, kid's church etc. Shane reminded us that the aim of 9am was not to increase in numbers through transfer growth from 10am or 5pm. He is keen to reach new and seeking members of the community to build up the numbers at the school. There are other potential future programs that we might introduce over the next 12 month providing there are 'people ' to support the projects. You may already know that we are looking for helpers for a Christmas Matts4kids. We will need at least 50 leaders on the day and more helpers behind the scenes – put your name on the lists at your service. We are also introducing a Friday afterschool kid's club (4-5.30pm) to replace the postponed FISH and BC program, which will commence in fourth term, in time to reach some new families by Christmas and involve them in our celebrations. Consideration is also being given to a lunchtime group at West Pennant Hills School to have a very definite presence there. This last idea will be very important should SRE ever be removed from the School. We will continue to plan and provide combined events to connect our families who normally meet at different times on Sunday.

At present we also have no plan to provide a Sunday 78 group at 9am. Our children's program will finish at yr6 and the Sunday 78 group will still run out of the 10am service. The reality is that currently at the school we have limited access to the classrooms we can use and there are limited additional facilities. Of course we will continue to assess the needs of our congregations, the aims and target audience of each service and monitor the attendance at each so that we might keep our finger on the pulse of this aspect of our ministry.

We hope this helps many of you understand where we believe we are heading over the next couple of years in our children's and families ministries. Any further questions can be directed to Jacki, Shane or Steve.

***Don't forget, Matts4kids needs a lot of help to get our projects off the ground. Could you help?***
