### "John Newton" From Disgrace to Amazing Grace

by Johnathan Aitken

Most of us know that John Newton composed "Amazing Grace" and some of us know that he was the Captain of Slave trading ship—but how much else do YOU know of this fascinating and influential life. Johnathan Aitken's book about John Newton is beautifully written and contains material which has only recently been available. In my mind it could be called 'the making & moulding of a man of God'.

I found it to be one of the most thrilling biographies I have ever read—and it's great love story into the bargain. It will challenge and stimulate you and is worth every cent of \$ 29.95. Please read it. *Review by Elizabeth Foord*

## Pastoral Letter—Steve Abbott

Dear sisters and brothers,

We all have good cause to praise God for his answers to our prayers at the Annual Church Meeting (ACM). It was the largest attendance since my time at St Matt's. We had lots of people offering to serve for the coming year and we have, what I believe is, a terrific team serving as Church Wardens, Parish Council, Parish Nominators, Treasurer, Auditor and Synod Representatives. There were also some very encouraging verbal reports from the Asian congregation, StMatts@School congregation, Children's, Youth and Young Adults Ministries. It was also extremely encouraging to see the gracious way in which questions and recommendations to staff and incoming Parish Council were made.

At the meeting my appointment for Warden was under offer but I can now announce that Claire Jones from the 7pm Service has accepted the position. Claire brings a wonderful ministry heart, a younger generational connection than we've had for a while and professional legal training, which in more recent times has been with Churches and Christian organisations. Now it may be that some will ask, *'How can a staff spouse be a warden?'* Good question, the Diocesan regulations read as follows: "The spouse of a person in Holy Orders licensed to the parish is not qualified to be elected or appointed as a warden." Therefore we can all welcome Claire's appointment and I'm personally delighted she has accepted this position. Please pray for all the new church officers as several get oriented to their roles, have lots of issues flowing from the ACM to address as well as the month-to-month running of the church.

Hopefully by the time you have received and read this bumper April/May Matt's Matters our annual Easter Postcards will have arrived ready for hand delivery. Also we'll have plenty of additional copies for those who live outside our immediate Parish boundaries (West Pennant Hills and 'South' Cherrybrook) so you can hand deliver them to your own neighbours. In fact, we can all use them as personal invitations to encourage our neighbours, family and friends to attend one or more of our Easter celebrations. We have tried this year to keep the postcard content down and just focus on the Easter Services. We are once again indebted to Gabbi Holden who is a graphic designer, and who designed the postcard with her usual creative flair and generosity. A BIG THANKS Gabbi.

The arrival of our Easter postcards signals the beginning of a season of services, sermons and special events that will be evangelistic in their design and purpose. While it is always a great thing to invite our unchurched and unbelieving family and friends to church and special activities, it makes good sense to pray and invite them with greater enthusiasm when the messages, services and events will be intentionally planned to be more accessible to those less familiar with church. But why do we have four weeks in a row given over to direct evangelism talks? One pragmatic reason is that it gives you several opportunities to invite people and when they say, '*Oh I'm booked up for that date*', you can say, '*That's okay there are lots of other occasions available in May.*'

However, a biblical reason for doing this each year is because its central to our vision to be a church which reflects the Generosity of Christ to our community and it aligns with our fourth value to have an '*Unquenched heart for evangelism*'. Evangelism, the proclamation of Jesus as the crucified and risen Saviour and Lord, lies at the heart of God's purposes for his disciples. At the ACM I shared some thoughts from Jesus teaching in John 15. Note in particular 15:8 '*This is to my Father's glory, that you bear much fruit, showing yourselves to be my disciples.*' It appears that genuine conversion is not measured by a one off decision, nor by standing and confessing creeds of faith. Conversion is best measured by ongoing fruitfulness.

Fruit bearing is the necessary and visible sign that one is, in truth, a disciple: one who follows Jesus and remains in him (15:4-9). When carried out, this brings complete joy (15:11). Jesus concludes this wonderful section of teaching with a statement which includes two purpose clauses. John 15:16 '*You did not choose me, but I chose you and appointed you so that you might go and bear fruit—fruit that will last—and so that whatever you ask in my name the Father will give you.*' These two purposes bring together in a synergistic relationship, two fundamental dimensions of discipleship and the church's vocation: evangelism and prayer. Don Carson in his commentary on John 15:16 writes, '*One purpose of election, then, is that the disciples...should win others to the faith.....[the] closing words again remind the reader that the means of fruitfulness for which they have been chosen is prayer in Jesus' name.*' What a fantastic, eternally significant purpose believers have been given in Jesus.

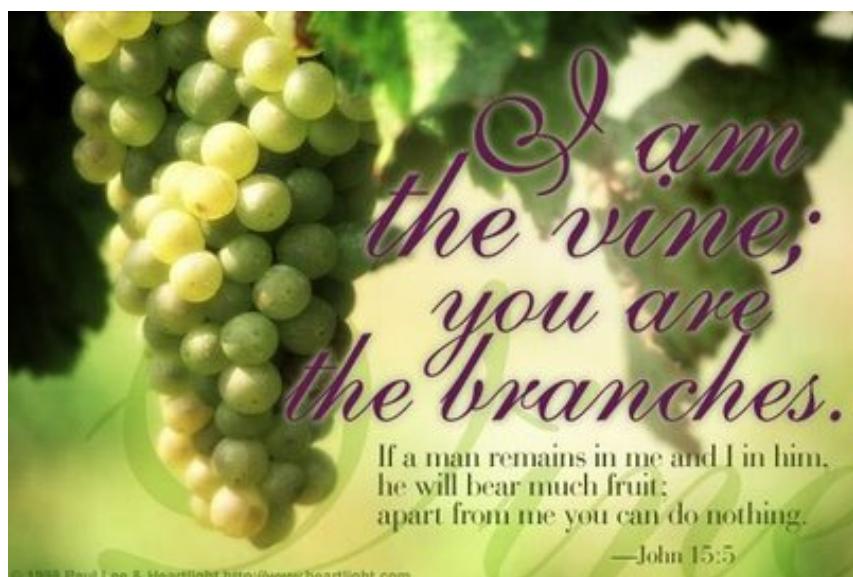

Therefore, let's give ourselves to prayer asking the God of Salvation to save people so that this May there will be an abundant harvest of fruit, fruit that will last. And having prayed let's put legs on our prayers, inviting people to join us in church or at a special event. It is my prayer that in June, the whole St Matt's family might celebrate the wonders of salvation grace in many people's lives.

Your partner in the gospel,

**Steve Abbott**

**Prayer Points:**

- ♦ Please pray for my preaching throughout April and May as we finish the series on Matthew's gospel through to Easter Sunday and then for the four gospel messages based on Mark 6-7 in May – pray that all the preachers will speak truthfully, clearly, passionately and creatively, and then that the Holy Spirit would convict people to turn from sin to the Saviour.
- ♦ Pray for wisdom and energy as I continue to oversee the Pastoral Care and Seniors' Ministry working closely with the newly appointed Pastoral Care Resource Team – we want to make sure everyone at St Matt's is appropriately cared for.
- ♦ Please pray for the new church officers as they have lots of issues flowing from the ACM to address as well as the month to month running of the church.

## Recommendations to Parish Council & Staff from the Annual Church Meeting

Recommendations are made at the ACM, by members of our various congregations, which are then taken to Parish Council, Staff and the Wardens to respond to. Below are the recommendations from this year's ACM. Please bear in mind, they are only recommendations which have now been given to the newly elected Wardens, Staff and Parish Council for feedback.

- ♦ Implement a 3 minute time of silent meditation immediately after every sermon at all services. This would be without anyone standing out front and without music.  
*Anne*
- ♦ A second CJ Day to help raise the rest of the funds for his position. *Greg*
- ♦ To consider installing some form of air-conditioning, especially when it is very hot several people have had difficulties and some have collapsed. *Peter*
- ♦ Create a plan how St Matt's is going to fund the roof. Comment - To me it seems we are living beyond our means as funds are raised by one off gifts. *Malcolm*
- ♦ By reducing our security cost of \$1900, how will that affect our insurance, and by how much?  
*Jono*
- ♦ A person be specifically designated to oversee the 5pm service. Noted that 5pm attendance is dropping. Recommendation that we have a second CJ Day to give CJ security of income.
- ♦ An outline of a plan from ministry staff, Wardens and Parish Council for 3 New Line Road.
- ♦ Can the Kairos Prison ministry be included in the mission's allocation. Background - Lyndal Nixey and Pamela (and others) – are involved in ministry to women in prisons: see women's lives being changed. Kairos in desperate need of money.  
*Pamela*
- ♦ Can a sign up outside NewLine Cottage letting people know that it's a place of care in our church complex. *Maxine*
- ♦ Parish Council to come up with a position on Climate Change and the environment. because it is incredibly important and Australia is the worst polluter per capita in the world. *Ralph*
- ♦ What plans are there to fill the gap in Seniors ministry? Recommendation that we do look at trying to fill that position soon. *Greg*
- ♦ Report - Went to another service at an Anglican Church in Neutral Bay. Used multimedia which enhanced the service and songs, had a baptism and communion. Didn't collect an offertory. Had a retiring offertory at the back. Served communion in individual pews. Service started on time, and finished after an hour and a quarter. Service leader didn't see the need to re-amplify what had just been spoken already. Recommendation to incorporate some of those elements in our service.  
*Bruce*

# Rediscovering the Value of Spiritual Disciplines

Over 70 women from across all the congregations of St Matt's came together on Thursday 24 March, to "Rediscover the value of Spiritual Disciplines". It was a night of great encouragement as we heard interviews with Alana Hiley, Robyn Thompson and Dorothy Voss before our guest speaker Di Morgan reminded us of God's deep desire for us to spend time with him and to seek to grow in our personal relationship with God, as he longs to be the lover of our soul. Having the opportunity to share our experiences and joys from spending time with God, with each other, was an enriching and very rewarding experience.

## St Matt's Intercessory Prayer Network

The confidential Intercessory Prayer Network which operates at St Matt's has been bringing the needs of many people before the Lord over the past year. The team of intercessors are praying for up to 15-20 people at one time and many have testified to the encouragement and strength received as a result of this.

Are you needing prayer?

We urge you, if you need prayer or know of anyone who does (they need not be a member of St Matt's), please send your requests to [prayer@stmatts.org.au](mailto:prayer@stmatts.org.au) or else speak in private to a senior member of staff. This Prayer Network is completely confidential and private - no one will approach you or any one being prayed for without your explicit permission.

### **MISSION AID GROUP (MAG)**

On behalf of MAG I would like to thank everyone who ways contributed to our successful book fair on 19 March. Despite the weather, it went very smoothly. I have to thank Pat Sutton for coordinating the book fair. Her tireless energy and great organisation made it all go so smoothly. We ended up with a total of over \$ 5000, an amount MAG will be thrilled to receive. Thank you to the book sorters, who came for 8 weeks. We enjoyed a great fellowship during this time.

Thanks also to those who donated books, help set up, pack up and work throughout the day on Saturday. Of course, thanks also go to those who bought books. Many thanks also go to Trama , and her workers in the kitchen, who kept us hydrated and nourished during the day . We also thank John Doherty for counting the money during the day and thanks to the 5 men who took books to a collecting point on Monday. A great result for Tanzania.

Our next meeting is on Wed 20 April, at 1.pm in Hall 1.

## ***Pastoral Care and Seniors Ministry Update***

I'm very happy to report that the Pastoral Care and Seniors Resource Team has begun meeting each month. Currently the team is made up of Marilyn Young, Ros Dearden, Pattie Mutton, Helen Boxwell, Robyn Thompson; James Clarke and myself. We will probably add one or two more people to our number to ensure we have all the services and necessary ministries well covered. The team has begun well and we would ask that you pray for us as we oversee this significant and growing ministry during the interim between ministers. The team agrees that it would be wise to have a substantial break before we begin searching for another minister to lead this team. Members of the Resource Team have indicated a willingness to give both more of their time as well as do more ministry and we feel we can sustain this as long as everyone who needs support is getting the care they need.

The Wednesday Service Annual Anniversary lunch will be held on 4 May and we are very fortunate and excited to announce that we have the outstanding speaker and author John Chapman as our guest. John is an extremely gifted communicator of the gospel bringing together a wonderful sense of humour, great story-telling skills and most importantly a clarity and passion for communicating the gospel. This is an event not to miss and one that would be terrific to invite our friends along to. In the coming week tickets will be organized and available for purchase for \$15 after church so be on the look out. It will be a spectacular occasion.

*In fellowship,*

*Steve Abbott*

## Second Sunday Potluck Lunch

St Matthew's 2<sup>nd</sup> Sunday Potluck Lunch began in September 2008. We meet every month in NewLine Cottage from 12.30pm – 2.30pm.

Everyone brings food to share and we end up with all sorts of favourite dishes to try. Each month there is a group of between 7 and 17 people. We always find lots to chat about and we sometimes spend time praying for matters which are raised.

The lunch is for people who usually eat alone and would like to share lunch and fellowship with others. So come along - tea and coffee is provided and there is no charge.

## 'Know Your Bible' Women's Group

In Term 2 we are studying the second half of the book of Romans, chapters 9 to 16.

You are most welcome to join us on Wednesday nights 7.45-9:30pm in Hall 3 beginning Wednesday 4 May 2011.

Most people come to faith in Jesus without understanding what it really means for a person to be redeemed, transformed, sealed and sanctified for that day when we will all stand before the Lord (Romans 14:10-12). Romans was a turning point in the thinking of Martin Luther, it caused John Wesley's heart to be "strangely warmed." If you desire spiritual renewal, studying Romans with a friendly group of women is a great place to start.

Please talk to either Wendy Noble (9484 2108) or Pat Gould (9868 4630) if you want further details and let us know you are coming along so that we can order a study book for you.

**Name** – Chris Jones

**Nickname** – CJ

**Married** – Yes! To the lovely Claire for the past six years.

**Pets** - None at the moment

**Residence**- We're currently enjoying living in North Parramatta.

**Work** – Youth & Children's Minister right here at St Matt's.

**Food** – Favourite foods would include good Thai food, Indian food or gourmet pizza.

**Social Activities** – Huge fan of the Sydney Swans AFL team, and regularly attend home games. Enjoy playing tennis with friends.

**Found Jesus** – I grew up in a Christian family (for which I'm very thankful), but made a personal decision to actively follow Jesus wholeheartedly shortly after finishing high school.

**Currently Reading** – Slowly working my way through 'The Cross of Christ' by John Stott. It's pretty meaty, but there's a lot of good stuff in there.

**Words of Encouragement** – Work hard at relationships. The Christian life is about our relationship with God and with one another. Don't neglect spending time on them!

## **Reflecting the generosity of Christ in school. 9am Church.**

It's all about family dynamics! I say that on a number of levels. First let me give praise to God, and thanks to many who have prayed, served, or asked after my family in the last 9 months. On Saturday 26 March Rachel, Levi, Mia and myself welcomed our son and brother Riley into the world. Whilst the most intense part may be behind us, our family must now readjust a little. Please pray that we adjust swiftly and in a godly fashion to our change in family dynamic. Pray specifically for Rachel as she helps our Matts4Kids church leaders minister without her at the coal face. Thank God for the great team that has been built, and for the support of our Children's Minister Jackie Hellstrom.

As I have mentioned previously the family dynamics at StMatts@School are changing. With the growth of the service we will be working now to change the shape of the eldership at 9am. We shall move from a singular core team (who are to be commended on getting us to where we are under God) to a "matrix model" of leadership. Over the next period I will be working with congregation members to assess, install and train elders in one of three teams of eldership. Team 1 will work on Sunday services specifically; Team 2 will be 'congregational life leaders' who help us 'do life together' well, and Team 3 will head up support ministries so that things function. By doing this we hope to share leadership, and help every one at 9am be all they can be under God. Please pray for godly discernment in this process, and thank God for wisdom acquired from our recent study of 1 Timothy.

Finally I am sure everyone at 9am is looking forward to sharing the Easter weekend together with our church family at the main centre. Services will not run at school over Easter, instead the whole church will be together celebrating the most important family dynamic change of all. Jesus the Son of God, who died and rose again to take us from being God's enemies and make us the sons of God, our "Abba" Father.

***Shane Dirks.***

## **Young Adult Community Groups have started for 2011!**

This is very exciting, and there has been a lot of anticipation both from leaders, and from group members. We have 116 people in Community Groups this year, in 8 groups with 16 leaders. I am very excited to welcome to the YA leadership team Sue and Greg Wright, Zara Wood and Jack Packham, Chris and Claire Jones, and Jill and Ian McGilvray. I am particularly thrilled that Ian and Jill are going to be running a special Community Group that has as its members those with creative skills such as music, art, writing and dancing.

Here is a word from them:

"We are very excited about beginning a YA Community Group this year.

God has made us in his image, and part of that image is creativity. Apart from all the usual aims of a Bible Study/Community Group, our group has the particular intention of recognizing that our creativity comes from God, and considering how we can use it as integrated, whole, creative people who live to serve Him. We're looking at what the Bible says, what other writers have said, and what we ourselves think about this, and plan to find ways to put it all into practice too – engaging as salt and light in our world."

The Community Groups are the heart and soul of the YA community. And I pray that they will be the source of life and growth and encouragement for all YA members this year, as well as being examples of communities of God's new creation to reach and love the world.

## Chinese Congregation Family Camp

We will have our family camp at Kiah Ridge from 8 April to 10 April. We have invited Rev Samuel Lui to be our speaker. Rev Lui is the senior minister of the Evangelical Free Church of Australia. It is a blessing to us that Rev Lui can come to speak to us at the camp even in his busyness.

Our topic for the camp is “Come, follow me!” and we really wish that brothers and sisters can learn from God’s word on how to serve and live as a true disciple of Jesus. Furthermore, this is the first time that we will have both Cantonese and Mandarin speaking people coming to the camp and we hope that we can all have a wonderful time of fellowship together.

### 聖馬太堂退修營

我們將會於四月八日至四月十日在Kiah Ridge舉行家庭營。我們邀請了澳洲基督教播道會靈福堂的主任牧師呂家聲牧師為講員。呂牧師在他極繁忙中能夠與我們分享神的訊息實在是我們的福氣。

我們的主題是 “來，跟從我！” 希望弟兄姊妹可以從神的話語中學習怎樣活出一個真正主門徒的樣式。還有，這是第一次我們有講粵語和講國語的弟兄姊妹一起參加這個營會，希望我們一起有一個愉快的團契時間。

The group meets each Tuesday lunchtime.

The main purpose of this group is to encourage the kids to live for Christ at school, and to be a positive witness throughout the week.

This term we have studied the book of Philippians and have had a regular 40- 50 kids attending each week.

- ♦ Please pray for Chris Jones and I as we meet to encourage the kids each week.
- ♦ Pray also that this group will be a powerful witness to the school community, and a great encouragement to Graham Castle's ministry in the school.
- ♦

Cubby Club has been running at St Matt's for many years and in 2010 was running on Monday, Tuesday and Wednesday mornings in Hall 3. At the end of 2010 a review of this wonderful ministry took place. As a result the decision was made to rebrand the ministry as Matts4Minis, tying it in closely with the Matts4Kids name and giving the group a closer identity and ownership by St Matt's. Our Church vision to 'reflect the generosity of Christ in and to our community' has a special focus in Matts4Minis on families with children aged between 0-5 years.

Matts4Minis now runs on Tuesday and Wednesday mornings in Hall 3. Both groups now run identically with myself as coordinator and the groups are solely run by St Matt's mums and other helpers from St Matt's, which enables us to keep our St Matt's vision and values central to our meetings. Currently both mornings are full and there is a waiting list for families who are not currently directly connected to St Matt's fellowship. The more members of St Matt's we have involved the more we can consider expanding this ministry. Karen Braga Pastoral minister for younger women from St Matt's staff is involved and has a significant ministry of support and relationship evangelism, which continues to bear fruit.

Our programme includes indoor and outdoor free play time, Christian teaching, music and story time, craft tied into the teaching and morning tea. We currently have about 40 families attending with a good balance between Christian and community mums. The groups have transitioned well from 3 days into 2, and I feel that the year has started well with the mums responding positively to the new programme. I feel very blessed to be a part of this valuable ministry, showing God's love and care to families of West Pennant Hills. I am also very thankful to have such a fantastic leadership and support team and I am excited to see how God will grow Matts4Minis over the coming months and years.

# Can you find Jesus' 12 Disciples?

In the story below, I have hidden the 12 disciples of Jesus: Peter, Andrew, James, John, Philip, Matthew, Bartholomew, Thomas, Simon, Thaddeus, James the Less and Judas.

Be careful, because the punctuation and missing capitals will try to trick you.

I love it when my band get together to jam, especially when the animals join in. “Hey, Bart. Holo” mewed the cat sitting on the mat. The whole band rewarded him with a perfect song except for the trumpet error from James. The lesson continued on, even tho’ Master Jud, as the guitarist had “de usual” way of doing things. With Olivia Newton-John as the singer for the band it was a triumph. I lip-synched for the video, but when we went to uploaded it to Youtube, I dropped my sim on the floor!
