## Senior Minister's February 2013 Pastoral Letter – Matt's Matters

Dear sisters and brothers,

Welcome back to all those who have been on holidays and a special welcome to those who have only recently joined St Matthew's over the Summer months, we're delighted to have you as part of our Christian community. I hope we are all ready to commit to another year of '*radical discipleship*' within the life of our fellowship and our local community.

Last year we introduced the idea of an annual central theme or focus for the year and in 2012 it was 'Radical Discipleship: Going deeper in order to grow stronger'. We want to continue this practice and after some personal prayer and reflection, followed by discussion with both staff and parish council, I can now reveal our 2013 theme:

***Radical Dependence: Practicing a persistent joy-full, prayer-full and thank-full life in Christ.'***

The biblical foundation for this key focus for 2013 is 1 Thessalonians 5:16-17 '*Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.*' I'm hoping that we'll all commit this text to memory and more importantly put it into practice so that we give daily and corporate expression to the '*Radical Dependence*' upon God that our Lord God calls us to.

Prayer, talking with our Almighty God, who we know as Trinity: Father, Son and Holy Spirit, is the most basic expression of our dependence upon God. We see this in the teaching of our Lord Jesus who taught us to pray the Lord's Prayer, which succinctly and clearly articulates our dependence upon our Heavenly Father for all our basic obligations and needs: the praise of his name, the promotion of his kingdom and will, daily provisions, personal pardon and protection. As John Piper has written, '*Prayer is the open admission that without Christ we can do nothing. And prayer is the turning away from ourselves to God in confidence that he will provide the help we need. Prayer humbles us as needy, and exalts God as wealthy.*' [Desiring God, p.133).

I'm currently reading, 'A Praying Life' by Paul E Miller and I'm finding it refreshingly challenging. Touching on this theme of the believer's dependence he writes, *'Prayer is bringing your helplessness to Jesus. Thomas Merton the Trappist monk, summarized it beautifully: "Prayer is an expression of who we are... We are living incompleteness. We are a gap, an emptiness that calls [to God] for fulfillment."' [p55].* This is of course consistent with Jesus' own teaching from Luke 11:9

*'So I say to you: Ask and it will be given you; seek and you will find; knock and the door will be opened to you.'* It's clearly because we are not complete in so far as we have unanswered questions and needs, we can't find our way and doors are closed to us that we need to ask, seek and knock. But what an encouragement to pray continuously Jesus provides in the next verse: Luke 9:10 *'For everyone who asks receives, the one who seeks finds; and to the one who knocks the door will be opened.'* So 'radical dependence' is fundamental for our personal walk with Christ in this broken and spiritually corrupt world. To reiterate Piper, we are needy and God is wealthy.

But make no mistake, it's not just individual believers but also the local and global church which is completely and utterly dependent upon God for its effectiveness. No wonder the Holy Spirit - inspired Apostle Paul made prayer the first priority of church assemblies. We read in 1 Timothy 2:1- *'I urge then, first of all, that petitions, prayers, intercessions and thanksgiving be made for all people... This is good and pleases God our saviour who wants all people to be saved... for there is one mediator between God and mankind, the man Christ Jesus, who gave himself as a ransom for all people.'* The universal scope of this prayer *'for all people'* flows from the fact Jesus has died *'for all people'*, and therefore we ask God to do what his desire is, *'to save people'* because we cannot do this in and of ourselves. Again let me quote Piper, *'The point of prayer is empowering for mission.'* (Desiring God, p147).

So it will be our challenge in 2013, both individually and corporately to embrace ***'Radical Dependence: Practicing a persistent joy-full, prayer-full and thank-full life in Christ.'***

As in previous years we will have four special times of prayer but this year there will be two days of prayer, one evening of prayer and one Saturday prayer breakfast, check the calendar for the dates. We'll kick off our special prayer occasions on Tuesday 19 February with a prayer night in St Matt's church, please make every effort to be there. We have also chosen 3 books, which will appear as Books of the Month as the year proceeds. I hope you will purchase and read them. In closing let me remind us all that '*Unrelenting prayer to God*' is our first value, which makes this year's ministry focus doubly appropriate. Therefore, it will be my prayer that our gracious and generous God will make St Matthew's a 'Radically Dependent' Christian Community in 2013, which would make our first value a reality in practice not just a statement on paper!

On the path to radical dependence,

***Steve Abbott***

## Prayer Points

- Thank the Lord for his 2012 financial provision for St Matthew's. Despite falling short of our proposed budget by the end of the year we finished with a small surplus through cost savings and also raised almost \$75,000 for our gift day for link missionaries.
- Please keep praying that our regular Sunday collections will be adequate to meet our budget and exceed budget so that we can continue to expand our ministry to our local community and beyond and find and pay replacement staff:

Part-time Pastoral Care and Seniors Minister (2 days)

Part-time Women's Pastoral Care Minister (2 days)

Part-time Chinese Minister (4 days)

Part-time Office Administrator to job share with Kat Butler (3 days)

Student Minister for Years 5-8 (1.5 days)

- Pray that God will bless our plans and strategies for the year, especially that he will make us a truly radically dependent community of faith, which is the will of God for us in Christ Jesus.
- Ask the Lord to stir many to attend our first quarterly prayer gathering a 'Prayer Night' at St Matt's on Tuesday 19 February from 7.30-9pm.
- Pray that Steve will lead our church with a dependent servant compassionate heart, a wise discerning mind, a deep love of people and an enthusiasm for the glory of God and his gospel.
- Pray for Steve's preaching on Romans, that the messages he prepares will reflect the truth of God's Word with clarity, creativity, passion and relevance. Pray also that God's Spirit will use them to transform us all into being Christlike people.
- Pray for Sue that she will commend Christ in both her role as Medical Receptionist Monday through Wednesday and in her many support ministries at St Matt's: hospitality, crèche, Bible Study, etc.

## MISSION AID GROUP (MAG)

Our Annual Meeting will be held this year on Wed. 20th February. All are welcome to hear a CMS Missionary preparing to go to Tanzania, to speak of their expectations and preparations for their work. It would be great to have an increased number of parishioners to hear them. There will be a display of goods we have collected over the last few months which we will pack for Kingsgrove and a report of the past year activities etc. Afternoon tea will also be served.

Our Car Boot Sale and Art Show is fast approaching. This is our main fund raising event this year for MAG and we would love to be able to send a substantial amount to them to help our Christian friends in Tanzania. We do need people to book spots for stalls ASAP. The cost is \$10 on booking and a suggested 20% commission towards MAG. Book a spot for yourself, join with friends, book 2 spots, sell new or used/2nd hand goods. Contact Roslyn Dearden for bookings or enquiries on 0419 255 667/ 9869 1665 or [roscliff7@bigpond.com](mailto:roscliff7@bigpond.com) or speak to me at Church. Pat Sutton can also be contacted on 98751562 or [patsut@bigpond.com](mailto:patsut@bigpond.com)

The St. Matthew's Art Group is well into their organising for the show in hall 1. Anne Fallon is organising a plant stall and would be very appreciative of any plants for sale that you may have struck, etc.

Suggestions for this month are any stationery items, especially exercise books, packets of sewing pins, small sewing scissors, black or white socks, toothpaste, unperfumed bath soap, baby wool or 8-ply wool, set of 4 dessertspoons, or anything on the green brochure. Thank you.

## **St Matthew's Policy for Conflict Resolution**

### **Handling Leadership, Congregational & Small Group Conflicts**

#### **Preamble**

Given that everyone is different and still sinful it is inevitable that conflicts will, from time to time, occur within the life of the Christian community. When they do we need to respond biblically so that Satan does not get a foothold and bring lasting and deep division among his people. Therefore, at St Matthew's we seek to respond to conflict using the following principles and process:

#### **Principles**

**Humility** - A conflict situation may be the result of factors you are not aware of. Consider whether you or other injured parties may have contributed to the situation - or may be overreacting. Ask someone not directly involved for their view.

**Graciousness** - In approaching the other person, listen and be gentle. Check what their expectations may have been. It may be that there has been a huge misunderstanding. Be open to a compromise or agreeing to disagree.

**Patience** - We need to recognise that deep conflicts take time to resolve. Be content with small steps. Review your own behaviour before God at each point.

**Prayer** - *'If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.'* (James 1:5 NIV)

#### **Process**

1. Talk first to the person face-to-face. This is always the best first step.
2. If there is no resolution or you feel uneasy about approaching the person directly, approach the Congregational Minister or the Senior Minister for assistance.
3. If you feel uneasy talking directly to the Congregational Minister or the Senior Minister, speak to a member of the Church Committee or Parish Council and ask for someone to go with you.
4. If there is still no resolution, the Congregational Minister or the Senior Minister may arrange a mediation meeting with the person. This meeting will involve the person, one or two others who understand the issue, and either the Congregational Minister or the Senior Minister. It is important to keep the group small.
5. Should no resolution be forthcoming after these steps, a decision will be made by the Senior Minister in confidential consultation with relevant church staff and/or Church Wardens.

*Sunday 3<sup>rd</sup> March 2013*

*"In the beginning God created the heavens and the earth... God created mankind in his own image... God blessed them and said to them, "Be fruitful and increase in number; fill the earth and subdue it." Genesis 1:1, 27-28*

God has created this Earth and has given us the task of looking after it – his people and his creation. Clean Up Australia Day on March 3<sup>rd</sup> is the perfect opportunity for St Matt's to do just this – to keep the environment clean and to show the community that we care for the world.

Each year over 150 members of all the congregations at St Matt's participate in cleaning up the community. There are 12 sites around the Pennant Hills, West Pennant Hills and Cherrybrook area. Some are more suitable for families, while others require supervision or are for adults only. Clean up starts at 9:30 until 10:45 am. Any bags of rubbish are delivered back to the church carpark. There is also a children's program available during the clean up in St Matt's halls.

At 11 am we join together for morning tea, followed by a celebration of creation service at Cherrybrook Public School on New Line Rd.

This event is open to the public and is a great opportunity to invite family, friends and neighbours to get involved and join us for the celebration service afterwards.

On the day

- 9:20am – Drop children to church
- 9:30-10:45am – Clean up at site. Remember enclosed shoes, a hat, sunscreen, a water bottle and gardening gloves. Drop rubbish bags to church afterwards.
- 11:00am – Morning tea at Cherrybrook PS
- 11:30 – Creation celebration service at Cherrybrook PS

*A list of sites and sign-up sheets and are available at all services!*

For more information call the church office (9479 3700) or Louise Young (0402 284 096)

It has been a great season for rest, relaxation and friends. But now it is time to get back to the “nitty gritty” of our ministry. February 1 sees the beginning of our kid’s ministry year as we launch back into arvo club and FUSE.

We finished 2012 with great feedback about our new year 5 and 6 group and shall be continuing with a group of committed young adult leaders. Arvo club will begin with a beach/Hawaiian theme and looking at the miracles of Jesus.

In 2013 we will continue to plan our Sunday morning kids church program alongside the sermon series. Vision Sunday begins the term and then followed by the second half of Romans. This year we will continue our family BBQs after each family service, we may even go on a picnic.

Looking forward to a new year of growing followers of Christ.

*About CMS, but you could change CMS for your favourite Missionary organisation if you like.*

The NSW & ACT branch of CMS is a fellowship of mission-minded Christians and churches. We're an organisation of missionaries and supporters, passionate about sharing the good news of salvation through Christ around the world. Effective mission involves commitment from missionaries and supporters. Praying, caring and giving are an essential part of support.

In 2012 the NSW & ACT branch celebrated 120 years of involvement in mission. Those years have seen missionaries take the gospel throughout Northern Australia, Africa, South America, Asia, the Middle East, Europe and South Asia.

Mission work has changed dramatically over 120 years. Borders have shifted; countries have been renamed or reformed. Some countries have since closed to missionaries, others have opened up. The distinction between 'sending' nations and 'receiving' nations has faded. Some nations that were once 'mission fields', now send missionaries to the former Christendom. But there is much that hasn't changed. There is still the need for faithful and godly men and women to share the gospel.

Everyone has a part to play in global mission. Pray that God will be working in your heart as you consider your role. Is God calling you to pray, care, give or maybe go?

As we begin a new year of serving God, please pray for CMS missionaries around the world and for new opportunities for gospel ministry. Pray that more men and women would commit to long-term cross-cultural ministry and proclaim Christ across the globe.

However painting the walls (below the picture rails) of the halls and foyer has not been included in the contract. This is planned to be completed by willing St Matt's members. The painting which will need to be carried out is all below the picture rails and will include preparation (including priming) and 1st and 2nd coats.

Thanks to all those who have already volunteered, if you would like to help, there is still an opportunity for you to be part of the team. Please contact either John Parker or Diana Kivell. (Obviously all materials will be supplied.)

## Youth Update - Summer Madness

I want to begin by thanking each and every one of you who prayed for Summer Madness. Once again, God was very kind to us...

In summary we had a great camp: incident free and fun. Our speaker, Sam Atwood, did an excellent job of opening up the Scriptures for us and there was much to be encouraged by...

It was great to see many new faces on camp as a result of the persistence and persuasion of our own youth inviting them. One I spoke with had been asked by his friends to come over a period of three years! Another, who had been sent to camp under duress told me how much fun he'd had and it was great to see him turn up to the first week of youth for the year.

As in previous years, our final night was a night of prayer and praise. Year groups shared their goals and themed Bible verses for the year and individuals shared things they had learnt or were encouraged by. A number shared powerful testimonies to the sustaining work of God in their lives and overall there was a remarkable sense of unity and love.

Thank God for His goodness and the way He continues to use the Youth team to grow and build a thriving community of teenagers who know and love Jesus.

In Christ,  
*Geoff Everett*

# Anglican Aid Bushfire Appeal

Fires have again caused havoc to communities throughout the Eastern states of Australia. Anglican Aid Director, David Mansfield, has been in direct contact with church leaders in badly-affected Dunally, Tasmania and Coonabarabran, New South Wales.

Anglican Aid has committed \$10,000 to assist bushfire affected communities. We are also appealing to Sydney Anglicans for their personal financial support.

The funds will be used to provide emergency accommodation and food as well as to begin rebuilding infrastructure.

To give to Anglican Aid's Emergency Bushfire Appeal, visit our website [www.anglicanaid.org.au](http://www.anglicanaid.org.au), call toll free 1800 653 903 or post a cheque (made out to 'Anglican Aid') to P.O. Box Q190, QVB Post Office, NSW 1230.

## Book of the Month **Before the Throne of God**

Cost: \$10

For many years Anglican Press Australia, a subsidiary of Youthworks, has been publishing Lenten study books. Written by evangelical authors, they have consistently provided good quality studies for the 40 days of Lent. This newly published group of studies on prayer by Bishop David Mulready is another gem for the series, 'Studies for Lent and other times'. The book is divided equally between Old Testament prayers and New Testament prayers. Each chapter is short and easily digestible, expounding a selection of the biblical text.
